

All District 7670 Presidents:

The challenge is on!!

2010 marks the 25th anniversary of the Rotary Club of Arden's Fall Classic Golf Tournament. We are proud to count CarePartners Hospice, who is celebrating their 30th anniversary providing compassionate care for people nearing the end of life and support for those grieving, as one of our major sponsors. The event is going to be held at the historic and beautiful Grove Park Inn Resort & Spa in Asheville, NC on Thursday September 23rd with a 1:00 PM start time. We will have two hole-in-one sponsors offering the chance to win an automobile (Land Rover) and \$1M dollars! Lunch will be served prior to the afternoon flight by The Grove Park Inn, and dinner will be catered by Carrabba's Italian Grill in the evening at the Grove Park Inn. Both meals are included in the price of the greens fee (\$125 per golfer).

Now the challenge to you! The Rotary Club of Arden is presenting a "Rotary Challenge" to all Rotary clubs who would like to play in the beautiful Blue Ridge Mountains this fall. Bring your best foursome and participate in the tournament. The Rotary Club of Arden will present a special trophy to the Rotary Club team that posts the best score. Your team will be engraved on the trophy, and in addition to the presentation at the event, one of our members will visit your club and make a formal presentation of the trophy to your membership. Of course that assumes our club isn't the winner!

Please check out our website to view details and to register at www.ardenrotaryclub.org. Be sure to identify your team as a Rotary Challenge team. Proceeds from the event will assist our Club in promoting service and fulfilling charitable needs. **Register early as we only have 128 player spots to fill.**

And, because you know someone who would like some pampering, we have arranged some special opportunities with the Grove Park Inn Spa. Space is limited so call to make your reservations early and mention the Rotary Fall Classic to get your special rate. Ya'll come and have fun!

Sincerely,

Stu McInnis
Chairman, Fund Raising Committee
Rotary Club of Arden , NC
