

What is Rotary?

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders.

Members of Rotary Clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races and creeds.

As signified by the motto "Service Above Self", Rotary's main objective is service - in the community, in the workplace, and throughout the world.

The Arden Rotary Club

marks its 26th year of hosting the Fall Classic Golf Tournament. Proceeds from the event will assist the Club in promoting service and fulfilling charitable needs in the local and international communities.
